10:00 am to 3:00 pm

We're Back! After a small break due to COVID we're back and ready to accept your household items for reuse!

Reuse Fairs are **one-day** community events that bring together non-profit community groups, churches, schools, hospitals and businesses with donated household items. Your donations will be used to enhance the craft, sports, music and other programs provided by many non-profit and charitable organizations.

Please consult the **back** of the flyer for the updated list of accepted items. When you arrive, be prepared to place each of your items at specified location. Some surplus items may be available for the taking.

Learn more about environmentally friendly practices while at the Reuse Fair!

- Book Exchange – take some or leave some! (Paperbacks, hardcover and magazines)

This event is a success due to caring citizens volunteering. If you're able to volunteer a few hours of your time, please contact Renée at 462-7001. Volunteers are needed to help set up, assist unloading vehicles, sort items, survey the public participating, and for clean up.

This event is a fun way to meet others in your community and help the environment at the same time!

SEE YOU THERE!!!

We will also have a big bin for household waste.

If your organization could use any of these items, please call Renée at 780-462-7001.

Please bring these items to the Reuse Fair for reuse by others in our community. All items must be clean and in good condition.
